CHAPTER : ZERO

ART + STORY BY : LAVENDER HYENA

It's FREE!

THIS ZINE IS ABOUT MY LIFE THROUGH THE LENS OF
MY HYENA FURSONA. I KNOW I AM NOT A HERO AND
I DON'T FEEL LIKE I AM A GOOD PERSON. I AM MAKING
THIS ZINE AS A WAY TO COPE AND PROCESS MY LIFE.

A SERIOUS WARNING BEFORE YOU CONTINUE, SCENES
AND DEPICTIONS OF RAPE, SEXUAL ASSAULT, BIGOTRY,
VIOLENCE, DRUGS AND ALCOHOL, THE NAVY AND
MUCH MORE ARE IN HERE.

A NOTE ABOUT HOW I MADE THIS ZINE

IT IS ALL HAND DONE WITH A LEAKY PILOT G-2 07
AND A METAL RULER, ALL DONE IN A "ONESHOT"
FASHION. SO THERE WILL BE MISTAKES AND
INK MARKS AND POSSIBLY COFFEE STAINS.

MY LOVES

THE ONES THAT SURVIVED;
THE ONES THAT DIDN'T

I HONESTLY thought the gun was loaded. Tasting the barrel of my own revolver and then just hearing the click haunts me to this day. That night I curled up into a ball and just cried ... and cried ... until I passed out. I think I only slept for 2 hours. ~~##~~ And when I got up, I just quietly checked out (THANK FUCK THE ASSHOLE from the night before, the clerk, had already left.) I hit the road and continued my drive. My ex's words and the click of an empty gun were on repeat in my head for the entirety of the remaining journey. But, I survived, a bit more broken, but I guess not that matters, I'll mask it. Like I have before.

BEHIND the SPOTS

So the "one shot" challenge is a blessing and a curse. On one hand what I make and write is it... Like in life, just do what ya can and try not to fuck up. I already know I fucked up "page 4." I don't even know if you noticed. But I know. And to me, it is both beautiful and frustrating. Like life... It's in the past. Though, memories and records will remind you of all your fuck ups. I dunno... I wouldn't say be proud of mistakes but be proud of your efforts and own that shit.

PAGE 3, the middle panel. I was crying and shaking drawing that. Turned out like shit but I did it.

PAGE 2, Last panel. I always get a spooky feeling when I see my shadow in a doorway. Do you get that too? Isn't IT CREEPY seeing your own shadow cross the room before you?

PAGE 1; PLEASE Don't be upset at my ex. Leave him alone.

AND now for something completely different...

I am excited and so happy you made it this far with me! seriously thank you! If you "enjoyed" this little look into my life, please feel free to email me at LAVENDERHYENA@protonmail.com

If you wanna send fanart, send it there to!

If you are a tuff yeen too, please try a one shot challenge... grab your shittiest pen AND something to draw on... do it! And send it (well I guess SCAN it or take a picture) AND email it to me! Don't worry about how "good" it is. You fucking tried! which already makes ya special!

Peace Out Bitches!
